

# Coconut Ice

**Prep Time: 15 minutes**

**Cook Time: 30 minutes**

**Makes: 30 pieces**

## Ingredients

250g sweetened condensed milk  
250g icing sugar, sifted, plus extra for dusting  
200g dessicated coconut  
pink edible food colouring, optional

## Method

Using a wooden spoon, mix together the condensed milk and icing sugar in a large bowl. It will get very stiff. Work the coconut into the mix until it's well combined – use your hands, if you like.

Split the mix into two and knead a very small amount of food colouring into one half. Dust a board with icing sugar, then shape each half into a smooth rectangle and place one on top of the other. Roll with a rolling pin, re-shaping with your hands every couple of rolls, until you have a rectangle of two-tone coconut ice about 3cm thick.

Transfer to a plate or board and leave uncovered for at least 3 hrs or ideally overnight to set. Cut into squares with a sharp knife and pack into bags or boxes. These will keep for up to a month at least, if stored in an airtight container.
